Dear All,

As the sponsor of the "**Iranian Challengers**" team on Nanga Parbat, we would like to thank all of you who have emailed your words of support and encouragement during the Iranian Challengers ascent on Nanga Parbat, and would like to update you.

|------------------------------------|--|
| - Leila Esfandiary-Leader | made the summit |
| - Kazem Faridian-Technical Manager | made the summit |
| - Sahand Aghdaei | made the summit |
| - Ehsan Partovinia | made the summit |
| - Hossein Abolhassani | made the summit |
| - Mohammad Norouzi | climbed up to 6850 meters; he was a great support to the team |
| - Saman Nemati | lost his life in the pursuit of his dream near to the summit of Nanga Parbat. We are all devastated at his loss, |

When Team Iranian Challengers, a group of experienced and highly professional climbers who all shared a dream of ascending Nanga Parbat approached us, we agreed – knowing that to allow them the opportunity to integrate with international team would fulfill both their personal dreams, and also promote their environmental dreams- which we share.

We are also saddened by Saman's death, and can only imagine the grief felt by his family and friends. We are equally so proud of the team and their heroic achievement.

Thank you once again for your support and encouragement, should you wish to send us email, please do so using the e addresses:
